

# IOWA DISASTER HUMAN RESOURCE COUNCIL

*We bring together faith based, non-profit, and voluntary agencies as well as private sector and government agencies to foster a more effective response and recovery for the people of Iowa in times of disaster.*

## Why?

Building disaster resilient communities is an all-inclusive task. When we work in cooperation together we expedite recovery, alleviate suffering, empower survivors and build a strong and resilient Iowa.

## How?

We provide a forum where organizations share knowledge and resources throughout the disaster cycle—preparation, response and recovery— to communicate timely disaster needs, connect resources, and collaborate on solutions to help disaster survivors and their communities across Iowa.
